

# elysia xfilter

Version:

The control panel features a central 'elysia' logo. It includes four frequency sliders: 'LOW SHELF' (0-20 Hz), 'LOW MID' (20-400 Hz), 'HIGH MID' (300-10k Hz), and 'HIGH SHELF' (700-28k Hz). Each slider has a gain knob and a frequency knob. Additionally, there are four filter type buttons: 'High', 'High Mid', 'Narrow Q', and 'Passive', each with a 'Cut' indicator.
